- Burn only allowable trash (see "Never Burn" list below).
- **Make certain the winds are calm.**
- Have a water source available.

Do Not

- Create a traffic hazard: make sure that smoke doesn't blow across roads.
- **Burn after dark.**
- Burn anything that may create excessive smoke or toxic fumes such as tires, plastic, or shingles.
- Burn trash or anything else from a business.
- Cause a nuisance: make sure you don't smoke out your neighbors.
- Leave the burn unattended.
- Burn anything during a Burn Ban or **Red Flag Warning.**

Never Burn

- Electrical Insulation
- Tires
- Treated lumber (such as construction or demolition waste)
- Heavy oils or asphalt materials
- Potential explosive materials or chemicals

If you have any questions on what you can burn please check the Texas Commission on Environmental Quality website at www.tceq.texas.gov.
