- Make every reasonable effort to resolve disputed purchases with the vendor.
- Immediately report all unresolved disputed purchases to the Departmental P-Card Coordinator using the Purchasing Card Dispute Form (Exhibit #4).

PROCEDURES

- 6.1 Purchasing Limits – Each Department will establish limits for individual P-Cards and aggregate limits for combined card totals. The maximum amount of a **single-item** purchase of supplies or materials will not exceed \$2500. Cardholders must have prior approval from the Purchasing Card Administrator for any purchases over the established dollar limit, or purchases that cannot be obtained any other way. In all cases, a monthly maximum per card will be established by the Elected Official or Department Head.
- 6.2 Purchases Allowed with the Purchasing Card – Purchasing Cards may be used to purchase any item for immediate use not prohibited by law, this policy, or other policies approved by the Commissioners Court. The total purchase with the P-Card will not exceed the limits established for that Card. All other purchasing policies remain in effect and P-Cards should not be used to circumvent them.
- 6.3 Purchases Prohibited with the Purchasing Card:
- Personal expenditures.
 - Cash Advances or refunds.
 - Sales tax except in cases where State law does not exempt local governments.
 - Entertainment of any kind, including the purchase of alcohol or patronage of drinking establishments.
 - Purchases under contracts, unless an emergency exception is granted.
 - Separate, sequential, and component purchases or transactions made with the intent to circumvent State Law or County policy.
 - Purchases that are split to stay within card transaction limits.
 - Transaction amounts greater than Cardholder's transaction limit.
 - An expenditure that is subject to 1099 reporting.
 - Holiday Greeting Cards
 - Other purchases specifically excluded in other County policies or by law.
- 6.4 Security – The Cardholder is responsible for the security of the card. This card should be treated with the same level of care as the Cardholder would use with his/her own personal charge cards.
- 6.5 Supporting Documentation for Card Purchases – All transactions must be supported by **itemized** receipts (An itemized receipt is defined as a receipt with each item listed on the receipt.) or credit slips. If cardholder fails to get an itemized receipt, and cannot get a copy from vendor, cardholder must fill out a Credit Card Affidavit (Exhibit #7) and submit with expense report. In instances where the receipt is lost, **Cardholder** must obtain a copy at their own expense from the vendor or bank. If, after numerous attempts, a copy is not provided to cardholder, cardholder must sign a Credit Card Affidavit (Exhibit #7) and submit with expense report. For purchases made over the phone or on the Internet, a logging system with unique transaction

identifiers should be maintained and a faxed copy or e-mail confirmation of the order retained as the receipt.

6.6 Declined Transactions – If a Vendor receives a “Decline” response from the Bank after attempting to put through a P-Card transaction, Cardholders should contact the P-Card Program Administrator with the following information for resolution:

- Account number
- Business where decline occurred
- Total transaction amount of the decline
- Date the decline occurred

After determining the reason for the “Decline” it may be necessary for the P-Card Program Administrator to contact the P-Card Program Coordinator for temporary or permanent changes to the Cardholder’s control limits to process the transaction.

6.7 Using the Card – A need for an item is established when it is not readily available through a County contract. In making a purchase, the Cardholder must abide by the following rules:

- The Cardholder must ensure that item purchased is not restricted under paragraph 6.3.
- In purchasing an item the Cardholder must ensure that sales tax is not included in the purchase price before issuing payment with the P-Card.
- The Cardholder must retain the purchase receipt and attach it to the Semi-Monthly expense report. After being signed by the appropriate personnel, the expense report should be submitted to the P-Card Program Administrator, (Purchasing Dept.).

6.8 Purchasing Return – The Cardholder is responsible for obtaining a credit memo from the Vendor when merchandise purchased with the Card is later returned to the Vendor for any reason. The credit memo will be attached to the expense report along with the sales receipt.

6.9 Reports – When the reconciliation process is complete, the expense report will be signed by the cardholder and the Elected Official, Department Head or authorized personnel with original signatures and returned **by the 5th business day** after the end of the cut off date to the P-Card Program Administrator. Failure to meet timely submission requirements from Cardholders to P-Card Program Administrator may cause suspension or cancellation of P-Cards as authorized by Commissioners Court. The Auditor’s office will reconcile all Departmental expense reports to the wire transfer.

6.10 Reconciliation of Card Purchases

The Department P-Card Coordinator is responsible for ensuring that the expense report is reconciled with the purchase receipts. The Elected Official, Department Head or authorized personnel is responsible for reviewing receipts and expense reports and sending them to the P-Card Program Administrator **by the 5th business day** after the cut off date.

6.11 Records Management –

The Departmental P-Card Program Coordinators must maintain all original receipts in a secure location until they are reconciled to the Semi-Monthly expense report. Records from each Semi-Monthly expense report should be kept together.

6.12 Lost or Stolen Purchasing Cards –

- When it is determined that a P-Card has been lost or stolen, **IT IS IMPERATIVE TO FIRST CANCEL THE CARD WITH THE BANK BY CALLING THE BANK'S TOLL-FREE NUMBER.** In addition, the Cardholder must also notify the P-Card Program Administrator of the loss by phone and then complete a Purchasing Card Lost/Stolen Card Form (Exhibit #3) and forward it to the Cardholder's Elected Official or Department Head, the Departmental Coordinator and the P-Card Program Administrator.
- Once a P-Card is discovered lost or stolen, it is imperative to cancel the card immediately. The County is liable for all charges until the card is reported lost or stolen. **Thus, the Cardholder may be responsible for all charges made against the P-Card from the time it is lost or stolen until the time the Bank is notified, if the Cardholder fails to immediately notify the Bank upon discovering the loss or fails to discover the loss within a reasonable amount of time.**

6.13 Request for Issue of a P-Card – To request a new P-Card a Purchasing Card Request Form (Exhibit #1) should be completed by the P-Card Program Coordinator, signed by the employee and submitted to the appropriate Elected Official or Department Head for approval. Following approval, the form should be forwarded to the P-Card Program Administrator.

6.14 Changes to Existing Accounts – To make changes to an existing P-card account, a Purchasing Card Change Form (Exhibit #5) should be completed by the requesting employee and submitted to the appropriate Elected Official or Department Head for approval. Following approval, the form should be forwarded to the P-Card Program Administrator.

6.15 Unauthorized Use of the Purchasing Card – Any purchases that the P-Card Program Administrator deems prohibited as defined in paragraph 6.3 will be sent back to the

Cardholder for justification and/or explanation. If any prohibited charges appear in the Cardholder's transactions and expense report, the following may occur:

- The P-Card Program Administrator will investigate all circumstances surrounding alleged misuse of the P-Card and in cases where there is evidence of a procedure or policy violation; refer that information to the appropriate authority for investigations and/or disciplinary action.
- Failure of cardholder to submit itemized receipts or credit slips with expense report could result in suspension of P-Card.
- Termination of employment and forfeiture of the P-Card are potential disciplinary actions for improper use of the card.
- In those cases where there is evidence of negligent use of the P-Card, but no fraudulent acts have been committed, the Cardholder will be required to surrender the P-Card with all further privileges revoked.

Any employee having knowledge of violations to this procedure or any other procedure or policy governing the use of the P-Card must immediately report such activity to the P-Card Program Administrator.

The P-Card may be suspended or terminated if a Purchasing Cardholder is suspected of fraud, theft, or illegal use. Should the suspicion prove founded, appropriate action shall be taken in accordance with existing County policies and procedures.

6.16 Disputed Items – Disputes, if possible, should be resolved promptly between the Cardholder and the Vendor. Cardholders should raise disputes immediately. As failure to do so will result in an authorized purchase that the department is responsible for paying even though the charge is incorrect. If the dispute cannot be resolved within 10 days, the Cardholder should submit a Dispute Form (Exhibit #4) to the P-Card Program Administrator. A charge should not be disputed on the current expense report if it was returned for credit after the cut-off date. The credit should be reported on the next expense report with a notation being made that there is a disputed charge and expected credit.

6.17 Termination Clause – The P-Card is issued to an employee for the County's convenience and may be suspended or terminated at any time by the County for non-compliance with County policies and procedures. Transfer, resignation, or terminations of employment are grounds for cancellation of the P-Card. The P-Card Program Coordinator should complete the Purchasing Card Return Form (Exhibit #6) and forward the form to the P-Card Program Administrator.

It is important to cancel a card immediately upon an employee's separation from employment. The Bank or the Credit Card Recovery Program will not cover any charges incurred between the employee's termination date and the date the card is cancelled. The department will be responsible for payment of charges incurred by an employee no longer working in that department; if a delay in canceling privileges resulted from the department's actions.
